Vishal V S

UG Student

About me

Second-year B.Tech student passionate about coding, designing, and problem solving. Eager to learn more and build practical solutions to problems.

personal

Vishal V Shenoy
nationality: Indian
2006

Areas of specialization

currently none

Interests

Coding
Electronics
Arduino
Physics
Video & Image Editing
Gaming

Short Resumé

2019–2021 **High School**
TDHS · Thuravoor
Completed my high school education with strong academic performance, actively participating in science and technical activities, and achieving a full A+ grade in the 10th standard board examinations.

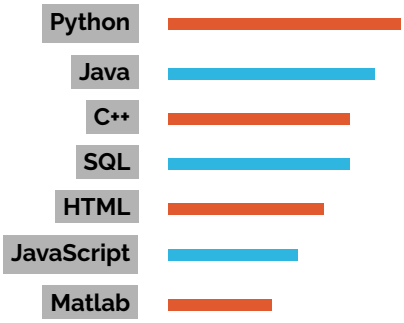
2022–2024 **Higher Secondary Education**
TDHSS · Thuravoor
Completed my higher secondary education with a strong focus on science and mathematics, developing a growing interest in coding, electronics, and problem solving, and graduating with an overall score of 98%.

2024–2028 **B.Tech in Artificial Intelligence and Data Science**
Amrita Vishwa Vidyapeetham · Amritapuri
Currently pursuing a B.Tech degree in Artificial Intelligence and Data Science, focusing on programming, problem solving, and emerging technologies in computing.

Degree

2024–2028 **B.Tech in AI and Data Science**
Pursuing · Amrita Vishwa Vidyapeetham, Amritapuri

Programming



Skills

Technical Coding, 3D Modelling, Image Editing
Soft Skills Communication, Leadership, Problem Solving

Projects

1. DC Undervoltage Protection System
2. Attendance Management System (Java Swing)
3. IoT Based Digital Thermometer
4. Thermal Expansion Analysis of Heat Sink Fins
5. Character Design & Animation in Blender

Languages

Malayalam	C2	mother tongue
Konkani	C2	local/fluent
English	C1	● ● ● ● ○
Hindi	C1	● ● ● ● ○
Tamil	B2	● ● ● ○ ○
Sanskrit	A2	● ○ ○ ○ ○

Experience

- **Live-in-Labs Volunteer**
  Participated in a field visit to Gabit Keni village in Karnataka. Interacted with the local commu
  their daily challenges and structural issues, aiming to develop sustainable and practical soluti
- **Vidyut Infrastructure Volunteer**

Certificates

- **NPTEL:** Python for Data Science
- **MATLAB Onramp**
- **DataCamp:** Deep Learning Course
- **Infosys Springboard**

Achievements

- Scored 98% in Higher Secondary Examination
- Full A+ in 10th Board Examination
- Under 16 Chess Champion, Alappuzha

Extracurricular Activities

- Character Design & Animation using Blender
- Gaming & Game Strategy
- Video and Image Editing

Tools & Technologies

- Git / GitHub
- Blender (3D Modelling)
- MATLAB
- ANSYS
- Arduino
- VS Code / IntelliJ

Interests

- Technology Exploration, Creative Design, Gaming, Digital Content Creation
